

On November 7, 2006, Orange County voters approved the Renewed Measure M2 Transportation Investment Plan, now referred to as OC Go. Ordinance No. 3 implements OC Go and requires specific safeguards and requirements that are to be followed. Included is a requirement for a performance assessment to be conducted every three years to evaluate the efficiency, effectiveness, economy, and program results of OCTA in delivering OC Go. The results of the fifth performance assessment covering the period of July 1, 2018 through June 30, 2021, determined that OCTA developed and implemented strong program management practices and made significant progress towards the M2 goals as promised to the voters.
